

COVID-19 Vaccine Reporting & Systems

Item	Details	Trainings & Resources	Contact
Weekly CDPH Vaccination Site Provider Appointment and Capacity Survey Weekly LADPH Vaccinations Among People Experiencing Homelessness	Survey is sent on Thursday afternoon from the state and forwarded to members by CCALAC. Due Fridays at 12pm. Failure to submit survey every Friday will affect weekly vaccine allocations. Links change weekly. https://dphredcap.ph.lacounty.gov/surveys/?s=KWYYCXHRMW Report the number of COVID-19 vaccines administered by health centers among PEH per vaccination site.		Contact CDPH at (833) 502-1245. Email nCovid- PEH@ph.lacounty.g ov with questions.
(PEH) Survey	Responses submitted weekly every Friday.		
VaccineFinder	 https://www.vaccinefinder.org Platform that helps the public find providers who offer select vaccines in communities across the country. Providers must report COVID-19 vaccine inventory daily. 	Reporting Inventory to VaccineFinder CDC VaccineFinder Provider Info Sheet VaccineFinder Training Video	To add user/change org info, email vaccinefinder@castli ghthealth.com For help with reporting inventory to VaccineFinder, email myCAvax.HD@accen ture.com or call (833) 502-1245 (Option #2) from 8:00am – 8:00pm, every day
PrepMod	 https://www.calvax.org/users/sign_in Platform that provides tools for setting up and operating vaccination clinics including clinic set-up, vaccine inventory management, and the ability for patients to schedule appointments and consent online. Each vaccine clinic needs to be saved and submitted by COB. 	LADPH PrepMod User Manual CDPH PrepMod Training and Resources (scroll to bottom of page)	Melanie Barr, LADPH mbarr@ph.lacounty. gov
myCAvax (previously CalVax)	 https://mycavax.cdph.ca.gov/ State vaccine management system Platform that provides reporting, ordering, and inventory services. 		COVID Call Center at covidcallcenter@cd ph.ca.gov or call (833) 502-1245. Call Center hours are Monday through Friday from 9:00am

			– 5:00pm
