ABOUT US

Annual Health Care Symposium
The Symposium provides a forum to network and share valuable knowledge and resources about the provision of quality health care. Each year, presenters and attendees gather for a full day of sessions focused on challenges and innovations experienced by service providers and patients today, creating a valuable resource for health care providers and administrators. The daylong conference offers several educational opportunities for health service providers, community clinic staff, community and state leaders, and other health care stakeholders.

Southern California Consortia
The Community Clinic Association of Los Angeles County (CCALAC), Coalition of Orange County Community Health Centers (COCCC), and Health Center Partners (HCP) of Southern California in San Diego, Imperial and Riverside Counties are jointly hosting the 2020 Annual Health Care Symposium.

CCALAC, COCCC, and HCP are 501 (c)(3) organizations representing community clinics and health centers in Southern California. Together we represent over 100 member clinics and over 500 clinical sites throughout the Southern California region, spanning from Lancaster to San Ysidro on the U.S. and Mexico border. These clinics have provided vital health care services to more than 1.7 million patients with low or no income in medically underserved populations.

Community Clinics or Health Centers
Community Clinics/Community Health Centers are non-profit, state-licensed organizations that provide high-quality primary care -- including medical, dental and mental health services -- to predominantly low-income and underserved populations. Pharmacy, x-ray, radiology, optometry, obstetrics, specialty referral, and other medical services can also be found within clinics.
