The Policy Café
Where great dialogue is on the menu!

The Policy Café event series brings together health centers, policymakers, community leaders, researchers and other partners for timely discussions on issues impacting LA's health care landscape. The series drives dialogue on today's hot topics. No podium. No PowerPoint. Just frank conversation.

Sponsorship Benefits 2024-2025

What people say about the Policy Café:

Thank you for such a relevant & important discussion.

Thank you for this space! We'd love to have more of these conversations.

This was phenomenal. Thank you everyone!
