

# COMMUNITY HEALTH CAREER FAIR

June 16, 2022 from 3:00pm - 4:30pm

RSVP: <https://ccalac.org/career-fair/>

Community Health Centers are mission driven organizations that serve over 1.7 million patients in LA County every year. Come explore a career in community health and learn how you can help bring quality health care to under-resourced communities.

## What to expect at this event:

- Meet with local community health center HR managers and staff
- Learn about current career opportunities
- Apply directly to opportunities that interest you
