

Job Title:	LCSW - Reentry Recovery Care Coordinator	FLSA Status:	Exempt
Reports To:	Associate Director of Grants and Program Management	Union Position:	Non-union
Approved By:	Director of Human Resources	Department:	IBH
Approved Date:		Jobs Supervised:	Yes

OUR MISSION is to eliminate health disparities and foster community well-being by providing and promoting the highest quality care in South Los Angeles.

OUR VISION: St. John's Well Child and Family Center will be a leader, catalyst, and model for the best care, long-term community health improvements, and sustainable, health-enhancing system and structures in Los Angeles.

OUR CORE VALUES

Dignity

We honor and respect every person we encounter as a valued member of the human family whose gifts and rights are to be protected.

Excellence

We support and champion individual and organizational growth, accountability, creativity, teamwork, and commitment to quality, and the best standard of care.

Well-Being

We promote and advocate for the full integration of our patient's physical and mental health with their needs as an active member of a vibrant and just community.

Social Justice

We collaborate with others to develop systems, organizations, and programs that address the needs of and empower all members of our community with a preference for the most vulnerable and disadvantaged.

JOB SUMMARY

The Re-Entry Recovery Care Coordinator (RRCC) will work directly with individuals who are exiting incarceration in jails, prisons, or detention centers alongside the project director and Recovery Reentry Specialist (RRS). The Re-Entry Recovery Care Coordinator will provide clinical co-occurring and SUD/MH services; care coordination; referral to psychiatry and higher level of treatment; leads client case conferencing; supervises RRS; supports other program staff regarding clinical issues; and provides necessary administrative support. In conjunction with members of the medical and behavioral health teams, the RRCC will manage psychosocial aspects of chronic and acute diseases, apply behavioral principles to address lifestyle and health risk issues unique to the reentry population, and provide consultation in the treatment of mental disorders and psychosocial aspects. The LCSW will also provide supervision for Peer Community Health Workers.

This position is grant funded. The grant is scheduled to expire on [September 29, 2023](#). The grant may or may not be funded again after that date. Your employment beyond the grant expiration date is not guaranteed. Should the grant not be funded, you are eligible and encouraged to apply for another position within the agency.

ESSENTIAL DUTIES AND RESPONSIBILITIES

Performs a combination, but not necessarily all, of the following duties:

- Promote and integrate behavioral health services;
- Maintain protocols and procedures for integrated behavioral health activities across the St. John's network;
- Assist the primary care provider in recognizing, treating and managing mental health and psychosocial issues and act as a contributing member to the primary care team and behavioral health team;
- Conduct client intakes, focusing on diagnostic and functional evaluations, then make recommendations to the primary care provider concerning the clients' treatment goals and plan;
- Provide consultation to the primary care providers to enhance patient care;
- Provide brief, focused intervention for clients who are in need of mental health services;
- Assist in the detection of "at risk" clients and in the development of plans to prevent worsening of their condition;
- Monitor and coordinate the delivery of health services for clients as related to behavioral health care, including linking with other treatment providers not only within the primary care setting but, with the clients' permission, outside it as well;
- Document the clients' progress and diagnostic information in the treatment chart;
- Keep the primary care providers fully informed of the client's needs and progress and work with providers to formulate treatment plans;
- Provide consultation to clinic management and other team members about behavioral services and suggested areas of outcome and program evaluation;
- Participate in case conferences with appropriate medical and ancillary team members;
- Support Quality Assurance activities related to behavioral health care;
- Provide program reports;
- Provides clinical co-occurring/substance use disorder/mental health services to individuals reentering society after justice involvement
- Provides care coordination, support and advocacy services to program participants and their families facing a variety of challenges as they transition from jail into the community. These challenges may include a history of homelessness, chronic mental, behavioral or other health issues, legal challenges and/or substance abuse issues.
- Coordinates with SJWCFC staff, community providers, and family supports to increase the likelihood of continued safety, health, and stability of the program participant.
- Records EHR (Electronic Health Record) data
- Provides referrals to psychiatry or in-patient treatment depending on mental health diagnoses
- Leads reentry client case conferencing
- Supervises Reentry Recovery Specialist
- Supports other Reentry Program staff regarding clinical issues
- Collaborates with Reentry Recovery Specialist, Community Health Worker and Case Managers to ensure all case management and support service needs are met
- Assist the clients in complying with any medical treatment initiated by the primary care provider, such as offering strategies to cope with medication side effects;
- Function as a member of a multi-interdisciplinary team;
- Complete administrative duties
- Attend meetings, trainings, and other work-related events as needed; and
- As an exempt position, evening and/or weekend hours may be required to ensure the fulfillment of all duties and responsibilities; and

Other duties may be assigned or may be modified as business needs dictate by the Associate Director of Grants and Program Management
Supervisory Responsibilities

- This position will provide supervision to Peer Community Health Workers for the reentry population (may also include interns) and will assist as available in performance management and hiring of the employees within the team.

Responsibility to Team:

Actively support assigned team/department by participating in and supporting all team/departmental initiatives, proactively communicating with supervision, meeting assigned goals and objectives, and committing to embracing process improvement initiatives.

Responsibility to Organization:

Actively support SJWCFC by consistently meeting St. John's Mission, Vision, and Values; modeling positive interactions with patients, staff, and community; keeping informed of internal (e.g. policies and procedures) and external (e.g. legal or political matters) which may affect business.
