

**JOIN THE TEAM!**  
**Mental Health Therapist**  
**Downtown Los Angeles, CA**  
**Full-time**

Take the next step in your career and join the Eisner community healthcare team. Founded in 1920, Eisner Health provides high-quality, integrated community healthcare to the underserved population in Downtown Los Angeles, Lynwood, Van Nuys, Panorama City, and Sherman Oaks. As one of the largest providers of accessible, free, or low-cost health and social services in the area, Eisner Health offers a wide variety of opportunities to choose from. So don't delay, we are waiting to hear you!

**Quick Facts:**

Eisner Health is seeking an experienced Mental Health Therapist to join our professional team. The Mental Health therapist provides individual, family and group psychotherapy as a licensed or waived clinician of the healing arts (LMFT, LCSW, AMFT, or ACSW). The Mental Health Therapist develops and executes appropriate treatment plans, and provides services under the ethical and clinical guidelines of best practice for their discipline. The responsibilities of the Mental Health Therapist, may include but are not limited to the following:

- Completes appropriate training requirements to achieve/maintain professional license and/or certification.
- Provides individual and family psychotherapy. Provides services within clinic or other appropriate site, as needed.
- Provides treatment according to any evidence-based practices, ensures fidelity to the model.
- Develops and evaluates treatment plans to ensure client's progress on an on-going basis.
- Provides linkage and advocacy to ensure client and family have access to services that will help achieve treatment goals.
- Maintains thorough treatment records in a timely manner according to the requirements of client's funding source.
- Follow quality assurance and ethical/legal guidelines.
- Meets productivity expectations as set by department Director.
- Be available to work flexible hours in order to meet the needs of clients and the department.

**Requirements and Qualifications:**

- Masters in Social Work or Psychology required.
- Must be licensed as an LMFT, LCSW, AMFT, or ACSW with the Board of Behavioral Science or Board of Psychology.
- Fluency in Spanish and English is required.
- Must have some experience working with children and families in a clinical setting
- Previous experience working with diverse populations desirable
- Knowledge of DMH paperwork is highly desirable.
- Experience providing Trauma- Focused Cognitive Behavioral Therapy or Triple P parenting highly desirable.
