

**Position:** Licensed Clinical Social Worker  
**Department:** Behavioral Health  
**Locations:** Maywood, CA  
**Hours:** Part - Time & Full-Time

Mission City Community Network, Inc. is a non-profit organization of multiple clinics operating as a Federally Qualified Health Center. We are dedicated to serving low income families in the San Fernando Valley, San Gabriel Valley, Los Angeles and San Bernardino areas. We are committed to providing high quality care in the following areas: Adult, Pediatrics, Women's Health, Dentistry, Health Education, and Mental Health.

### **ESSENTIAL DUTIES AND RESPONSIBILITIES:**

#### **School-Based Services:**

- Provide brief intervention therapy and assess whether additional therapeutic intervention is indicated
- When indicated, provide counseling / therapy sessions to students at contracted schools
- Coordinate long-term therapy as needed
- Interface with school staff and family of students while maintaining patient confidentiality according to current standards

#### **Integrated Behavioral Health Services:**

- Respond immediately to medical provider requests for a behavioral health intervention in the patient exam rooms
- Provide therapeutic interventions when behavioral health issues arise during a medical clinic visit
- Develop diagnosis and treatment plans that are integrated with the medical treatment plan
- Provide brief interventions for mild-to-moderate mental health conditions
- Ability to use behavioral health interventions as part of an integrated response to a patient's medical and mental health needs
- Coordinate long-term therapy for patients with chronic/severe mental illness

#### **General Duties Applicable to All Settings:**

- Complete all required clinical and billing documentation
- Attend clinic and other staff meetings as requested
- Provide information for reports to funding sources
- Represent the agency to other agencies or groups as assigned
- Supervise graduate students/interns as assigned
- May perform Utilization Review responsibilities

### **QUALIFICATIONS:**

- Licensed Clinical Social Worker (LCSW) - current licensure is required
- Expertise in utilizing brief-intervention models of therapy
- Expertise in evidence-based practices such as Solution-Focused Therapy, IMPACT model, SBIRT, Motivational Interviewing, and Harm Reduction
- Knowledge of medical conditions and the interaction between medical and behavioral health condition

- Knowledge of common chronic medical diseases and their effect on behavioral health (e.g. diabetes, hypertension, asthma, etc.)
- Knowledge of how behavior and mental health affect medical outcomes
