Our Mission: The Mission of JWCH Institute is to improve the health status and well-being of underserved segments of the population of Los Angeles area through the direct provision or coordination of health care, health education, services, and research.

Licensed Clinical Social Worker

The Position: Wesley Community Health Care Clinics is looking for dynamic and innovative LCSWs to join our team working in a fast paced primary care setting. Our team consists of professional Clinical Social Workers, who are a part of an interdisciplinary treatment team using an integrative model of care.

Wesley Community Health Care Clinics serves at risk individuals with mental health, substance abuse, maladaptive behaviors and health patterns, and other psychosocial stressors that impact health and well-being.

The Clinical Social Worker will be an integral part of the interdisciplinary team providing biopsychosocial assessment, diagnosis, and treatment planning.

Clinical Social Workers must possess skills in psychotherapy, brief solution based therapies including motivational interviewing, problem solving, adaptation theory, and CBT. Bilingual English/Spanish candidate is desirable, but is not a requirement.

We have available positions in 9 of our primary care clinics throughout Los Angeles County and in the Antelope Valley.

Salary is $82,572 to $94,957 a year based on the candidates experience.

Wesley Health Centers, JWCH Institute is offering a $7,500.00 bonus after 6 months of employment, and a successful performance review.
