

IMMEDIATE OPPORTUNITIES

for Registered Nurses

Northeast Valley Health Corporation is hiring full-time Registered Nurse Supervisors for Adult Medicine, Pediatrics and Women's Health department for its San Fernando, Santa Clarita, and Newhall Health Centers.

Northeast Valley Health Corporation (NEVHC) is a federally funded, nonprofit community health center operating 17 Joint Commission accredited licensed primary care health centers. NEVHC is one of the largest health centers in the USA.

Our Vision

Northeast Valley Health Corporation will be an integral part of a system of health care that provides access to all.

Our Mission

The mission of Northeast Valley Health Corporation is to provide quality, safe and comprehensive healthcare to the medically underserved residents of Los Angeles County, particularly in the San Fernando and Santa Clarita Valleys, in a manner that is sensitive to the economic, social, cultural and linguistic needs of the community.

Northeast Valley Health Corporation provides equal employment opportunities (EEO) to all employees and applicants for employment without regard to race, color, religion, gender, sexual orientation, gender identity or expression, national origin, age, disability, genetic information, marital status, amnesty, or status as a covered veteran in accordance with applicable federal, state and local laws. Northeast Valley Health Corporation complies with applicable state and local laws governing non-discrimination in employment in every location in which the company has facilities.

Summary:

The Registered Nurse (RN) Supervisor organizes the provision of Clinical Patient Care Services, in accordance with Federal, State, Agency, and various programmatic and regulatory requirements. The R.N. Supervisor also serves as an integral member of the interdisciplinary care team providing

services to clients receiving care at NEVHC health Centers, and is responsible for direct observation and interpretation of data to formulate a nursing diagnosis through observation of the client's physical condition and behavior and through interpretation of information obtained from the client and others, including the health care team.

Qualifications:

- Current California Registered Nurse license to practice
- A minimum of one-year experience as a Registered Nurse
- RN Supervisor experience preferred
- Current Cardio-Pulmonary Resuscitation (CPR) certification, in compliance with American Heart Association
- Bilingual English/Spanish required
- Dependable and reliable vehicle available
- Current CA Driver's License and valid vehicle liability insurance

Exceptional Benefits:

- 10 to 20 Vacation days, based on number of years of service
- Yearly stipend for CEUs
- 12 Paid Sick days per year
- 11 ½ Paid Holidays per year
- Medical, vision, dental, short/long term disability and life insurances
- 403(b) Employer-sponsored pension plan (Based on 100% FTE)
