**Position Title:** Comprehensive Perinatal Health Worker (CPHW)  
**Supervises:** None  
**Reports To:** CPSP Coordinator  
**Written by:** Human Resources Department

**Department:** Clinic  
**FLSA:** Non-Exempt  
**Effective Date:** 03/2020  
**Approved by:** CEO

**MISSION STATEMENT:** It is our mission to improve the quality of life for the diverse communities of South Los Angeles and Southeast Los Angeles County by providing affordable and comprehensive health care and education in a welcoming and multi-cultural environment. We aim to lead the way in health care in South Los Angeles, as the premier provider and employer of choice offering comprehensive, high quality, affordable, efficient, and culturally responsive services

## General Summary:

South Central Family Health Center has an exciting opportunity for a Comprehensive Perinatal Health Worker (CPHW) to join our team. The CPHW role will be responsible for providing women's health education and counselling services delivered through SCFHC's Comprehensive Perinatal Service Program (CPSP). This position represented SCFHC clinic in all matters dealing with delivering health education, providing case coordination, completing comprehensive assessments, coordinating support service and monitoring nutrition, education and psychosocial interventions and referrals. The CPHW is part of the interdisciplinary care team that provides tailored health education to patients on a wide variety of topic that will lead to healthy pregnancy outcome such as healthy eating, family planning, home visits and assist patients with enrollments in government programs. This is an excellent opportunity to join a solid community health clinic and lead the way in providing the highest quality of care to our community.

To be successful in this role, we are looking for dedicated, motivated, enthusiastic team players who wants to make a difference in our community. The CPHW must demonstrate experience in assessing patient's needs, communication, and interpersonal skills, as well as compassion for patient health and safety. The ideal candidate will continuously aim to assess situations and identify solutions in an intellectually disciplined process while committed to providing the highest level of customer service satisfaction

**Minimum Qualifications:** Bachelor's degree in Health Education, Health Sciences, Human Development, Public health, Social work, or a related field. Bilingual/Bi-literate Spanish/English and BLS Certification. CPSP Certified and CPHW Training and Certificate. Must have a minimum of three years maternal and child health experience, including direct patient services. Medical Assistant Certificate is highly preferred.

**We offer a competitive total compensation package, including: health, dental, and vision coverage.**

**TO APPLY:** Send cover letter & resume to Human Resources at [hr@scfhc.org](mailto:hr@scfhc.org) or fax to (323) 432-4877

**Deadline: Open until filled**
