a californihealth<sup>+</sup> center

# IMMEDIATE OPPORTUNITIES for Medical Assistants

**Northeast Valley Health Corporation is hiring part-time and full-time Medical Assistants for its Newhall, Pacoima, Santa Clarita, San Fernando, Sun Valley, Valencia, and Van Nuys Health Centers.**

**Northeast Valley Health Corporation (NEVHC)** is a federally funded, nonprofit community health center operating 14 Joint Commission accredited licensed primary care health centers. NEVHC is one of the largest health centers in the USA.

#### **Our Vision**

Northeast Valley Health Corporation will be an integral part of a system of health care that provides access to all.

#### **Our Mission**

The mission of Northeast Valley Health Corporation is to provide quality, safe and comprehensive healthcare to the medically underserved residents of Los Angeles County, particularly in the San Fernando and Santa Clarita Valleys, in a manner that is sensitive to the economic, social, cultural and linguistic needs of the community.

Northeast Valley Health Corporation provides equal employment opportunities (EEO) to all employees and applicants for employment without regard to race, color, religion, gender, sexual orientation, gender identity or expression, national origin, age, disability, genetic information, marital status, amnesty, or status as a covered veteran in accordance with applicable federal, state and local laws. Northeast Valley Health Corporation complies with applicable state and local laws governing non-discrimination in employment in every location in which the company has facilities.

#### **Basic Qualifications:**

- High school diploma or General Educational Development (GED) certificate, and completion of a state approved program for Medical Assistants.
- Current CA Driver's License, valid vehicle insurance, and an available vehicle needed.
- Be able to communicate tactfully and empathetically, with cultural sensitivity with staff and patients.
- Fluently bilingual English and Spanish required, oral and written communication skills demonstrated in both languages.
- Must maintain a current Cardio-Pulmonary Resuscitation (CPR) certification from the American Heart Association.
- Must demonstrate through written and/or oral testing, the knowledge and skills necessary to provide care appropriate to the age of the patients served and has knowledge of the principles of growth and development over the life span. He or she is able to identify and categorize each patient's age specific grouping of needs.
- Knowledge of Women's Health is preferred.
