

APLAHealth

APLA Health's mission is to achieve health care equity and promote well-being for the LGBT and other underserved communities and people living with and affected by HIV. We are a nonprofit, federally qualified health center serving more than 14,000 people annually. We provide 20 different services from 15 locations throughout Los Angeles County, including: medical, dental, and behavioral health care; PrEP counseling and management; health education and HIV prevention; and STD screening and treatment. For people living with HIV, we offer housing support; benefits counseling; home health care; and the Vance North Necessities of Life Program food pantries; among several other critically needed services. Additionally, we are leaders in advocating for policy and legislation that positively impacts the LGBT and HIV communities, provide capacity-building assistance to health departments across the country, and conduct community-based research on issues affecting the communities we serve.
