

With over 50 years of service, our goal is to improve the health of the community we serve by creating easier access to quality clinical, preventative, and specialty healthcare services. Watts Healthcare Corporation is deemed by the Bureau of Primary Health Care of the U.S. Department of Health and Human Services to be a federal employee for purposes of medical malpractice claims and, as such, qualified for protection under the Federal Tort Claims Act.

### **PRIMARY RESPONSIBILITIES:**

- Provide an integrated and coordinated system of care.
- Identify and treat patients for mental health, substance abuse, and other high-risk behaviors.
- Provide clinical supervision to licensed-eligible staff and interns.
- Implement protocols for the Behavioral Health Department.
- Develop protocols for delivery, and training for Primary Care Physicians, medical staff, and interns.
- Perform mental status examinations, therapy, and preventative health measures.
- Discuss cases with the Medical Director of House of Uhuru and other health professionals, to prepare a comprehensive patient care plan.
- Administer or recommend individual therapy or other forms of treatment for patient care.
- Other duties as assigned.

### **KEY REQUIREMENTS:**

- Master's degree in Social Work; Ph.D. or a Psy.D. in Psychology from an accredited university.
- Three (3) years of licensed clinical experience; or any combination of education and experience, which would provide an equivalent background.
- Current license as a licensed Clinical Social Worker (LCSW) or Psychologist.
- Fluent in Spanish/English is highly desired.
