

Los Angeles Christian Health Centers Job Description

Advanced Practice Provider

SUMMARY:

Nurse Practitioner or Physician Assistant renders comprehensive health care within the limitations of professional licensing to patients of the Los Angeles Christian Health Centers. Assesses needs and prescribes treatment. Actively supports the mission of LACHC: to follow Christ by loving and serving our neighbors through comprehensive, quality health care.

ESSENTIAL DUTIES, RESPONSIBILITIES, AND PRIVILEGES include:

- Under supervision of staff physician, perform evaluation and treatment of patients in the outpatient setting at Los Angeles Christian Health Centers sites. Assess medical needs and compile care plan, addressing acute needs, chronic conditions, and preventive health maintenance. Assessing needs may include assessment of spiritual, emotional, mental and social needs. Furnish/transmit appropriate medications and treatments. Perform in-office procedures such as incision and drainage, arthrocentesis, nail removal, skin biopsy, and cryotherapy.
- Work within clinical privileges that are clearly delineated either through a delegation of services agreement (Physician Assistant) or Scope of Practice agreement (Nurse Practitioner).
- Keep accurate, concise, and thorough documentation of all medical history, exam findings, assessment, treatment/interventions, and education; complete documentation and lock progress notes in a timely manner.
- Review and electronically sign off on all laboratory results, diagnostic results, and outside consult notes in a timely manner, ensuring patient is contacted for follow up if clinically appropriate.
- Initiate and follow through on specialist referrals and e-consults (electronic consults), communicating with specialist providers as necessary, in the provision of whole- person care.
- Serve as the primary care provider for a panel of patients. As a provider, work with a care team and other staff at LACHC to serve as a patient- centered medical home for our patients.
- Conjointly supervise medical assistants along with the Medical Assistant supervisor.
- Participate in LACHC meetings including morning “team huddles”, Provider Meetings, and All-Staff Meetings.
- Actively participate in spiritual care for patients and staff which may include prayer, and referral to community resources.
- Provide compassionate care for patients who, depending on the clinic site, are predominately homeless, may suffer from mental illness, and often lack resources to care well for themselves.
- Actively participate in Continuous Quality Improvement activities at LACHC, including teaching other providers on selected topics, implementing team- based care, participating in peer reviews, evaluating clinical performance measures, and implementing improvements using a Plan-Do-Study-Act method of stepwise changes.
- Meet productivity standards for outpatient primary care at LACHC, including an expectation of 17-18 patients seen per usual 8 hour day; actual productivity may vary per site.

- Periodically serve “on call” for the clinic, answering urgent phone calls from patients or other agencies in the off-hours for one week approximately every 10-15 weeks.
- Network with other health care agencies and county facilities.
- Assist in provision of health screenings (including TB, diabetes, hypertension) at outreach events.
- Maintain active enrollment in Medicare, Medicaid, Managed Care, and other payor programs as needed for clinical operations, completing credentialing paperwork in a timely manner to remain actively enrolled in these programs.
- Other duties may be assigned.

QUALIFICATIONS:

To perform this job successfully, an individual must be able to accomplish each essential duty satisfactorily. The following requirements are representative of the knowledge, skill, and/or abilities required.
