

**Saban Community Clinic is seeking a part time Psychiatrist.**

**This position works 1 day per week. Two of the days per month may be worked remotely.**

**Duties and Responsibilities:**

- Examines patients with mental health issues to obtain medical history, assess, analyze, evaluate, diagnose and treat them; orders laboratory and other diagnostic tests and evaluates patient data and test findings to diagnose nature and extent of mental disorder and physical condition.
- Assesses and treats patients with mental illnesses through a combination of psychotherapy, psychoanalysis, hospitalization, and medication; designs individualized treatment plans; evaluates results of treatment and adjusts treatments as appropriate.
- Prescribes, directs, and administers psychotherapeutic treatments or medications to treat mental, emotional, or behavioral disorders; counsels patients on diet, hygiene and preventive health care.
- Performs/supervises functions, duties and services in compliance with regulatory agencies, contractual obligations and funding sources such as CHDP, EWC, Medi-Cal, FPACT, and Title X.
- Collaborates with other physicians, nurses, psychologists, social workers and other professionals to discuss treatment plans and progress.
- Oversees the maintenance of records/documents in accordance with clinic policies and procedures, contractual obligations, regulations and funding sources
- Practice cost-effective medicine by monitoring appropriate use of practitioner laboratory and prescription utilization in line with Clinic preferred laboratory and drug formulary.

**Position Requirements:**

- A valid license to practice medicine in the State of California, with no pending or previous disciplinary action from any state licensing entity
- Board certification or eligibility in Psychiatry
- Current DEA license and BCLS certificate
- Competency in evaluating and treating mental health patients
- Working knowledge of state-of-the-art medical/psychiatric scientific and treatment methods
- Understanding of current medical, educational and psychosocial intervention procedures
- Candidate who is Bilingual (Spanish/Russian/Armenian/Tagalog) is preferable.
- Covid-19 vaccination required as a condition of employment as required by State law. Medical and religious exemptions may apply.

**About Us:**

The Saban Community Clinic was founded in 1967 on the principle that healthcare is a right, not a privilege. It is our mission provide affordable quality Whole Person Care to everyone regardless of income or immigration status in a caring environment.
