

## Job description

MCCN is a not-for-profit organization dedicated to providing comprehensive health services to underserved communities. We are seeking a Behavioral Health Director to oversee the development and implementation of our CCBHC project and additional special projects.

**Position:** Behavioral Health Director

**Location:** Panorama

**Status:** Full-time

### Responsibilities:

- Oversee the development, implementation, and sustainability of the SAMHSA CCBHC Expansion grant project.
- Coordinate with various departments (Primary Care, Dental, Behavioral Health, Social Services, IT, Finance) to achieve project goals and objectives.
- Collaborate with HR to facilitate the hiring of project staff.
- Plan and conduct meetings with County departments, partners, stakeholders, and the Board of Directors.
- Ensure compliance with all CCBHC grant requirements, developing and monitoring service delivery through MOUs.
- Lead the development of a sustainability plan for the continuation of CCBHC after the grant period.
- Manage data collection protocols, ensuring data integrity and compliance with SAMHSA requirements.
- Prepare project and grant reports in accordance with grant agreements.
- Train staff in cultural competency, including military culture.
- Oversee and train the call center specific to this grant.

### Special Projects:

- Implement additional programs and grants, including HRSA and private grants.
- Assist in enhancing department systems and workflows.
- Conduct quality improvement projects and generate analytical reports.
- Revise project plans as needed to meet changing requirements.
- Assist in reinstating PCMH status and opening new clinic sites.

- Oversee strategic planning and operational responsibilities, including contract reviews.
- Ensure compliance with clinic licensing and maintain long-term relationships with payers.

**Qualifications:**

- Strong organizational skills and attention to detail.
- Excellent verbal and written communication skills.
- Experience in upper-level management preferred, with supervisory experience.

**Education, Training, and Experience Required:**

- Bachelor's Degree in healthcare, behavioral healthcare, or a related field.
- Minimum of 5 years of relevant experience in a health system of care.
- Valid California Driver's License, auto insurance, and reliable transportation.

**Working Conditions:**

- Maintain a physically safe and clean environment and report unsafe conditions.
