

## **Internal Medicine or Family Medicine Physician**

### **Join Wilmington Community Clinic (WCC)!**

Have you ever wanted to be a part of something bigger? Have you ever wanted to make a difference? At Wilmington Community Clinic a Federally Qualified Health Center (FQHC), here you can. WCC provides quality, non-discriminatory primary care, mental health, dental and women's health services to improve the health and well-being of all served – regardless of their ability to pay.

We have served patients in and around Wilmington and Los Angeles for over 40 years. Our multi-generational impact makes us proud of the services we provide and we put patient care front and center - it's The Wilmington Way!

### **About the Physician Position**

This is a full-time position and reports to the Associate Medical Director. The Physician will provide comprehensive direct primary and urgent care within their scope. Following WCC's protocols, policies and procedures and all applicable State and Federal requirements for medical services, the Physician will be responsible for delivering the highest quality of care to our patients.

*We are open to both part-time and full-time schedules for this position. The Physician will be scheduled primarily Monday through Friday, with one Saturday per month required. The exact hours will be determined once a candidate is selected.*

**The selected candidate MUST be new to the LA Care Network.**

### **Compensation and Benefits**

The salary range of a full-time candidate for this position is \$220,000 - \$260,000. Full-time employees are eligible for the following benefits:

- Medical insurance (HMO and PPO options available)
- Dental insurance (HMO and PPO options available)
- Vision insurance
- 403b retirement plan
- 10 vacation days for first year employees
- 12 paid holidays
- 8 days of paid sick leave
- Life insurance
- Pet insurance
- Employee assistance program

### **Essential Position Responsibilities**

- Provide all necessary Physician services within scope of license, including prescription and distribution of drugs and medical supplies, supervision or treatment and diagnosis of patients in compliance with all requirements for medical services.

- Complete documentation related to provision of medical care and thorough review of patient medical history on the Electronic Medical Record.
- Assess and refer high risk patients.
- Promote healthy lifestyles by advising patients on diet, hygiene and disease prevention.
- Meet the standard provider productivity recommended by WCC.
- Provide clinical supervision to Nurse Practitioners and Physician Assistants.
- Continuously monitor and manage problems that require medical follow up.
- Attend monthly Practitioner meetings.
- Participate in QI program.
- Respectfully cares for patients, physicians, staff, vendors, and visitors in ways that reflect the WCC mission and values.
