Requisition #: 48333

Status: Full-time, Exempt

Schedule: Monday – Friday, 8AM – 5PM

Onsite or Hybrid: Hybrid

Bilingual (English/Spanish): Yes - Spanish Assessment required prior to offer.

This position will pay \$78,940.10 - \$100,875.92 annually. Salary is commensurate with experience.

POSITION SUMMARY:

Under the direction of the Behavioral Health Services Director, provide the appropriate level of behavioral health and substance use disorder services for clients of APLA Health & Wellness. Staff will provide services identified through a biopsychosocial

assessment and promote health and wellness through services, advocacy and education with a focus on the needs of low-income LGBT adults including but not limited to people living with HIV/AIDS. Position will also provide community behavioral health services to other clients seeking services at APLA Health & Wellness. In addition staff will be tasked with providing education and consultation to primary care and behavioral health providers on areas of addiction treatment, and seeking to enhance our integrated care model.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

- Complete behavioral health intakes, bio-psychosocial assessments; develop a treatment plan that addresses the collaborative clinical goals of clinician and client and document treatment progress notes; provide treatment termination & case closure.
- Provide crisis counseling/intervention to clients and their social networks (i.e., partners, significant other, spouse, and immediate family member[s]).
- Provide appropriate behavioral health therapy services, building a caseload consisting of 75% direct service (direct patient contact) and 25% indirect service (case management, meetings, other duties as assigned). This would equate to 30 hours of patient contact for a full-time (40 hour) position, with part-time positions equivalent proportionately (ie. 15 hours of direct patient contact for 20 hour position).
- Provide behavioral health referrals, advocacy, and service information to clients and their support systems.
- Screen, assess, and plan appropriate interventions to minimize client risk of acquiring or transmitting sexually transmitted infections.
- Provide outreach, patient identification, education, and provider consultation on addiction treatment and enhancing our integrated service delivery model of care.
- Expand the use of substance abuse screening tools into our care delivery systems, including evidence-based opioid risk assessment into our Electronic Health Record.
- Participate in the collection, development, and deployment of education and outreach materials with a specific focus on issues related to the LGBT population in need of substance use identification and treatment, including opioid misuse information and resources.
- Identify and expand use of community-based resources and referrals to facilitate higher-level services for patients with greater need than we are able to provide directly.
- Document services in eClinicalWorks and/or other charting and data collection systems as appropriate. Documentation will be performed in a timely and accurate fashion in accordance with program policies and professional standards of care.
- Adhere to all applicable professional, legal, and ethical standards of behavioral health practice in the provision of services, including but not limited to: mandated reporting, provision of effective services, case documentation, client confidentiality/HIPAA regulations, ensuring client safety, and maintaining professional boundaries.
- Attend trainings and case conference meetings as required.
- Prepare monthly reports and statistics as requested.

- Maintain client behavioral health files to ensure completed documentation required by funders and agency Quality Management Plan.
- Effectively communicate with clients/patients in English and Spanish as required per aforementioned job duties.

OTHER DUTIES MAY BE ASSIGNED TO MEET BUSINESS NEEDS.
