Title: Volunteer / Internship

Our Mission: The Mission of South Central Family Health Center is to improve the quality of life for the diverse community of inner city Los Angeles by providing affordable and comprehensive health care and education in a welcoming and multicultural environment. To lead the way in health care in South Los Angeles, as the premier provider and employer of choice offering comprehensive, high quality, affordable, efficient and culturally responsive services.

General Summary: Job duties vary from calling patients to remind them of their appointments, to donating time on weekends to offer specialist medical support. Our volunteer support is essential work that helps at every level for all of South Central Family Health Centers.

Qualifications:

Anyone over 18 years of age, is encouraged to reach out to us so that we can match your interests with our current volunteer projects. After conducting a brief interview, we will work with you to obtain health clearance and complete a background check. When background has been clear we will provide you an orientation and training to prepare you for the department you will be joining.
