South Central Family Health Center

Job Posting

Title: Family Nurse Practitioner
Base Salary Range: $142,000 - $145,000 plus benefits
FTE: Full -Time - Exempt

We are seeking a dynamic and experienced **Family Nurse Practitioner** to join our Enhanced Care Management Program who wants to make a difference in our community. We want to hear from you if you thrive in a fast-paced, caring, and compassionate environment!

Our Mission: The Mission of South Central Family Health Center is to improve the quality of life for the diverse Community of inner city Los Angeles by providing affordable and comprehensive health care and education in a welcoming and multi-cultural environment. To lead the way in health care in South Los Angeles, as the premier provider and employer of choice offering comprehensive, high quality, affordable, efficient and culturally responsive services.

General Summary: The Family Nurse Practitioner provides high quality direct patient care with a wide range of healthcare services that revolve around the family unit; from health promotion and disease prevention to direct care and counseling across the lifespan. The ideal candidate will have to perform some of the following essential duties

- Sees clinical patients in the health services office for selected laboratory testing, examination, diagnosis, and treatment of both chronic and acute episodic illnesses and minor injuries and refers to physician as needed
- Writes and dispenses prescriptions and performs office procedures within the scope of expertise, protocols, and available equipment.
- Performs primary care and physical examinations (Pap tests, etc.)
- Counsels patients and helps them understand their limitations and abilities
- Conducts support groups in subjects related to physical and emotional health (i.e., challenge of change, dealing with losses, dealing with chronic illness as caregiver, etc.)
- Coordinates health promotional activities (providing printed information, routine testing, flu shots, mammograms, etc.).
- Managing overall patient care regarding lifestyle and development issues
- Meets with new staff in department to orient regarding services, identify needs, suggest local physicians and services, etc.
- Conducts laboratory test
- Provide follow up for patients as appropriate
- Make referrals to other medical services and specialist as needed

Qualifications Licensure and Certifications:

- Master’s degree in a related field preferred
- Knowledge of and adherence to the American Nurses Association Code of Ethics for Nurses
- Valid California Registered Nursing License
- Must be licensed as a Nurse Practitioner in the State of California.
- Current DEA
- Current BLS
